

The University of Western Australia

Located in Perth with the Department of Architecture based at the Crawley campus where both undergraduate and postgraduate courses are delivered. The department's international outlook, forward-thinking approach and commitment to local communities. The smaller class sizes are an added advantage in studying at UWA with staff student ratio of 1:12 at PG level.

The facilities for students range from well-equipped facilities including:

Studio spaces.

The Design Hub, a working space with senior student mentors available for assistance.

Digital fabrication equipment such as plastic extrusion 3D printers, laser cutters and CNC milling machines.

Multiple computer labs with 24-hour access.

Printmaking studio with etching presses and spray booths.

Multimedia production facilities.

Cullity Gallery, where you will have the opportunity to exhibit your work.

Further information on the course together with module information can be found at:
