

AUTHENTIC ASSESSMENT

A GUIDE TO DESIGNING AuA

WHY?

Closes competency gaps (between Education & Professionals).

Focuses on higher order thinking.

Motivates students.

MIND THE GAP

JUST DO

Assess factual, procedural & conditional knowledge.

Communicate task to a specific audience.

Tasks resemble "real world" experiences.

KEY ELEMENTS TO DESIGNING AuA:

CHALLENGES & RESOURCES:

Hard to align to certain disciplines.

Not all students follow the most common career path.

Need to build in design time.

SUPPORT:

Use a rubric for guidance.

Seek support from your colleagues.

Share knowledge and resources.
