

ORDINANCE 63: Accredited Institutions (Xi'an Jiaotong-Liverpool University (XJTLU) and the Liverpool School of Tropical Medicine (LSTM))

1. Under the provisions of Ordinance 29.3, XJTLU and LSTM have been accredited to offer programmes of study leading to awards of the University of Liverpool.
2. The programmes of study offered at XJTLU and LSTM leading to awards of the University shall each have a programme specification and have been approved by the University according to the mechanisms set out in the respective accreditation agreements with those institutions, but shall operate under each institution's respective regulatory frameworks.
3. The University shall monitor on an annual basis XJTLU's and LSTM's use of its degree awarding powers and shall require appropriate reports and transfer of data about students awarded University of Liverpool degrees, as set out in the accreditation agreements.
