# LOYALTY+

Use your student ID card to enjoy a range of discounts and benefits in our outlets.

## What is Loyalty Plus?

Loyalty Plus is a rewards scheme that enables you to upload money to your student card. You can then use that money to pay for items on campus. In return for using your card to pay for items, you'll receive a whole host of benefits. When you use your card to pay in any of the Loyalty Plus outlets identified overleaf you'll get the following benefits automatically:

### 5 Points for every £1

Collect 5 points for every pound you spend in campus shops, cafés and bars. With one point equal to one penny, you'll have enough points to spend on treats in no time!

### 10% off all hot drinks

When you use your Loyalty Plus cash wallet to pay for your drinks. The discount will be automatically applied at the till.

### Buy 9 hot drinks and get the 10th for free!

Simply present your Student/Staff card at the till every time you buy a hot drink to collect your electronic voucher.

### Free £5

When you top up £20 or more for the first time. The £5 bonus will be automatically added to your balance the next day.
